
Lunatic Labs

Website Items Needed

Project Imagery:

- Project Hero Image/Header - 640x360 px minimum
<https://www.canva.com/learn/hero-images/>
- Any Images you have of progress, deliverables, etc.

Project Text and Description:

- One sentence that describes the problem the software solves, or for games the premise of the game
- One sentence that says how your project is innovative or compelling in its solution/creation
- List of technologies used/tech stack

For Each Team Member:

- Headshot (600x600) (Not required but if you do have one, you can send it over)
- Short bio, 1-2 sentences
- School Year
- Major
- Sub-teams, if applicable (for example, I am part of the Game Team, but my sub-teams are Website and Lore)
- List of skills applicable
- Github profile link
- LinkedIn profile link

Please send this information to Victoria Ludwig on Slack, or to vfludwig@mail.lipscomb.edu

You can also send anything else you think may be important to showcase on the Lunatic Labs website.
